**O**n Friday, December 15th, the reservations were still coming in for the Christmas Luncheon to be held the following day. While this created a last minute scramble among the luncheon planners, it

also resulted in one of the most socially joyful and festive events the MSA has put on in a long time. Old friends greeted one-another warmly and new faces were welcomed boisterously into the circle of friendship as the Women's Auxiliary of the Fraternal Order of Eagles served up a top notch meal.

along with her granddaughter, Ashley Philpott, in Texas. There were beautiful decorations and music, and a generous spread of raffle prizes — a winner was seated at nearly every table in the hall! It was a happy afternoon among friends and the perfect way to ring in the holidays. Our heartfelt thanks to the Women’s Auxillary of the Fraternal Order of Eagles #143 for hosting us again this year. ❄️
