We Owe It All To You!

MSA Staff Writer

Thank you to everyone who voted in Fox21 News 3-Degree Guarantee program. Every day during FOX21 Morning News, the FOX21 Storm Team shows you how accurate their Colorado Springs forecast was from the day before. If they get the forecast correct within 3 degrees (plus or minus), WireNut Home Services donated \$30 to a charity, and FOX21 matches that donation. At the end of the month, that money is then donated to a local charity of the viewer's choosing, selected according to the number of nominations received on the station's website over the course of a given month. For the month of November, 2021, the MS Alliance of Southern Colorado received the most nominations, thanks to every one of you who took the time to nominate us! On Wednesday, December 8th, Nikki Pfeiffer was invited to Fox21 News to receive a check live on television for \$1,800.
