Discover how *MS can progress*  
even without relapses and new MRI activity

## An in-person educational event from Sanofi about MS progression without relapses

You're invited to a Rediscover MS Educational Event to gain a deeper understanding of the evolving science of multiple sclerosis (MS). The event will be hosted by a Sanofi Patient Education Manager.

### Join us to learn:

- The science behind MS progression without relapses
- Signs that MS may be progressing
- Monitoring and tracking signs of MS progression

Includes a Q&A opportunity

Includes event meal
