## **COVID Guidelines**

Bristol Myers Squibb's #1 priority is the health and safety of our attendees, employees and staff supporting live patient programs. There is no guarantee that all attendees will be vaccinated so wearing of protective masks or other personal protective equipment is strongly encouraged or mandated based on local regulations and policy. In-person attendees will be provided with disposable masks, sanitizing wipes and/or hand sanitizer will be made available to attendees at the registration/welcome desks and all meeting spaces. Onsite staff will clean meeting rooms and desks regularly to promote healthy sanitation. Bristol Myers Squibb will adhere to all official government and local authority guidance, as well as any venue or location-specific regulations that may be in place at the time of the event.
